

RHODE ISLAND ACADEMY OF
FAMILY PHYSICIANS
STRONG MEDICINE FOR RHODE ISLAND

THE 28TH ANNUAL RIAFP PRIMARY CARE CONFERENCE

March 27th & 28th, 2020

Warren Alpert Medical School of Brown University
222 Richmond Street, Providence, RI 02912

RIAFP 2020 PROGRAM

Program Description

This two-day meeting of the Rhode Island Chapter of the American Academy of Family Physicians is designed to provide an interesting, up-to-date educational experience, highlighted by the gathering of the regional membership of the AAFP and the graduates of the Brown University Family Medicine and Kent/Thundermist Residency Programs.

The RIAFP Primary Care Conference is more than just an educational experience, it is a chance to network with colleagues in a fun and relaxed atmosphere.

Learning Objectives

At the conclusion of this meeting, participants should be able to:

1. Identify relevant, evidence-based principles & medical guidelines
2. Explain diagnostic procedures and treatment plans
3. Assess medical conditions/treatment options

Target Audience

Primary care providers specializing in family medicine.
